

Prabod Praharsha Silva

Lidamulage Prabod Praharsha Silva · L. P. P. Silva

Computer Science Undergraduate · Aspiring Software Engineer

PROFILE

Third-year BSc (Hons) Computer Science undergraduate at the University of Sri Jayewardenepura (GPA 3.54) who builds full-stack web and desktop applications — from a microservices platform in Spring Boot, React and Docker to database systems in PHP, Java and C#. Also holds diplomas in ICT and Human Resource Management. Seeking a software engineering internship.

EDUCATION

BSc (Hons) in Computer Science 2024 – 2028 (expected)

University of Sri Jayewardenepura · Faculty of Applied Sciences

Cumulative GPA: 3.54 / 4.00 (end of Year 2) · Statistics 3.76, Mathematics 3.49, Computer Science 3.30, English 4.00

Diploma in Information & Communication Technology

G.C.E. Advanced Level — Physical Science Stream

2022 / 2023

Royal College, Colombo 07

Chemistry B, Combined Mathematics C, Physics C · Z-score 1.1647

G.C.E. Ordinary Level

2018

Royal College, Colombo 07

7 A, 1 B, 1 C

PROJECTS

ClassMate.lk — Tuition Class Finder

React · Spring Boot · Docker

Platform for finding tuition classes, built as microservices: a React front end over Spring Boot services, each containerised with Docker.

The Farmhouse Database Management System

PHP · MySQL · HTML5 · CSS

Web application for managing a farmhouse business, on a relational MySQL schema.

Airline Ticket Booking & Reservation System

Java · Swing · MySQL

Object-oriented desktop booking system with full CRUD operations over MySQL.

Library Management System

C# · WinForms · .NET

Desktop application for members, titles and loans — ICT Diploma final project.

ACTIVITIES & ACHIEVEMENTS

- 2nd Runner-up, Inter-class Quiz Competition — Royal College 2014
- 3rd Place & Medal, Best Handwriting — Sahas Gawwa, Royal College 2013
- Member, Debating Club — Royal College 2015 – 2016
- Member, General Knowledge Association — Royal College 2014
